

April 5, 2010

To All Atlas Tube Customers:

Based on previously announced raw material increases, Atlas Tube is increasing the price on HSS products effective with all new orders received after 5:00PM CST today April 5, 2010. Our pricing will increase by a minimum of the amount listed below.

All HSS Shapes up through 12sq (Square and Rectangular) US\$50.00/ton - C\$50.00/ton
All HSS Rounds up through 20"OD US\$50.00/ton - C\$50.00/ton

All orders currently on our books will be price protected for shipments through May 3, 2010. This increase will apply to all unconfirmed quotes and contracts.

We will continue to monitor rising raw material prices over the next several months and do our best to keep you up to date on market conditions as we move into the summer months. If you have any questions regarding market conditions or this increase please feel free to contact your Atlas Tube representative or me. We thank you for your business and support.

Sincerely,

A handwritten signature in black ink, appearing to read "Randy Boswell", is written over a light blue horizontal line.
