

NUCOR
SHEET MILL GROUP
DELIVERING MORE THAN STEEL

May 14, 2008

Dear Valued Customer,

All of our mills are continuing to experience strong order activity along with an uninterrupted escalation in raw material and energy costs. As a result the Nucor Sheet Mill Group is increasing transaction prices for the month of July by a minimum of \$90/ton on Hot Rolled Products, and \$60/ton on both Cold Rolled and Galvanized Products.

We reserve the right to review and re-quote any offers that are not confirmed with either a Nucor sales acknowledgement or written acceptance by both parties.

The spot order book for July will open today across the Sheet Mill Group.

The price increase is effective with orders acknowledged to ship week ending July 5, 2008. Please contact your Nucor District Sales Manager regarding pricing and availability.

We appreciate your continued support of the Nucor Sheet Mill Group.

Sincerely,

George Billings
