Dear Valued Customer:

Effective with shipments December 1, 2006, the Raw Materials Surcharge (RMS) applicable to reinforcing bars, merchant bars and structural products will be \$58/net ton (\$2.90/cwt). This represents a decrease of \$15/net ton when compared to the November Raw Materials Surcharge.

Reinforcing Bar Merchant Bar & Structural	Shredded Auto Scrap	\$220	\$162	\$58

In addition to the new Raw Materials Surcharge taking effect on December 1, 2006, we will increase our base price for reinforcing bar, merchant bars and structural products by \$15 per net ton or \$.75/cwt.

The net effect of this move is that our transaction pricing for **reinforcing bar, merchant bars and structural products will remain unchanged.**

As always, we will monitor the marketplace and will respond accordingly by making adjustments to our base pricing in order to assure you of a competitively priced product.
