For Immediate Release

Steel King Announces Several Employee Changes

Promotions and Retirements Allow for Growth

Stevens Point, WI — June 7, 2023 — Steel King Industries, a leading manufacturer of storage rack and material handling products announced several employee changes.

Josh Ferguson Promoted to National Account Manager

Josh Ferguson has been promoted to a National Account Manager for Steel King, effective June 1st. He is taking over for Kevin Curry who retired from Steel King May 31.

Josh has been a Sales Engineer with Steel King since August 2020. Prior to joining Steel King, he was a Regional Sales Manager for Husky Rack and Wire, and has industry experience as a Project Engineer, Customer Service Representative, and general rack installer. He also served as a Warehouse Manager in the Marine Corps for 4 years.

Erin Rychter Promoted to Sales Engineer – National Accounts

Erin Rychter has been promoted to Sales Engineer – National Accounts and will be taking over Josh Ferguson's Sales Engineer role as he was promoted to the National Account Manager position. Erin has been with Steel King since 2019 as a Sales Engineer for Inside Sales.

Kevin Curry Retirement

National Account Manager Kevin Curry retired from Steel King May 31. He was with Steel King from 1988 to 1994 and returned to the company in 1996. Kevin has been an industry recognized professional for decades, and his respect within the industry was unmatched. His contributions will always be valued and remembered. His hard work, commitment, dedication, and friendly disposition are worthy of admiration and he will be greatly missed.

About Steel King Industries

Since 1970, Steel King Industries has been manufacturing a full line of material handling products, including selective pallet racks, dynamic flow storage systems, cantilever racks, portable racks, and custom shipping racks, along with industrial steel containers and guard railing. Products are made using only U.S. steel. Innovation, customization, and design strength have earned Steel King the reputation as a leader in the material-handling marketplace. The company is headquartered in Stevens Point, WI, the company has over 500 employees with manufacturing facilities in Stevens Point and New London, WI and Rome, GA. For more information, call Steel King at (800) 826-0203 or visit **steelking.com**.
